

**State Project No. 713-59-0211
Burt Road Bridge
(Near Bogalusa)
Washington Parish
(Estimated Construction Cost: \$302,291.25)**

The existing structure is structurally deficient with a load posting of 5 tons. The structure serves as a connector to LA 10 for approximately 25 homes; it plays a vital role in people's lives.

This type of project will assist small contractors in meeting equipment loan payments and payroll overhead costs.
